

Information on Art Appraisals

The Arts Council of York County does not offer art appraisal services. We have included a list of resources below. Inclusion on this list does not equal an endorsement from the Arts Council of York County. To find art appraisers in your area, you may search for "Art Galleries," "Art Dealers and Consultants," "Appraisers," and "Auctioneers" in your local telephone directory or online. The cost of an appraisal is the responsibility of the owner and not the Arts Council.
