FIGURE DRAWING IN SOFT PASTEL WITH IDA IRBY

DESCRIPTION

Figure drawing class will support each student through refining their core fundamentals. This goal is fulfilled through exploring different poses in pastel medium and challenging long pose exercise. Drawing the figure is imperative to learning the human form and including color will help the artist express their ideas to improve individual practice.

Figure drawing instruction includes the study of the human form, gesture, and composition. Each class will include a development of vocabulary and art theory. Each student will receive hands-on instruction to support individual creative goals.

Novice artists can improve their skills with this pastel course.
