# EXPRESSIVE WATERCOLOR LANDSCAPE WITH IDA IRBY

## DESCRIPTION

Learn to express yourself with watercolor painting. This course focuses on architecture and landscape here in Rock Hill. Students will explore textures, colors and icons found in nature. Working in a variety of wet media will improve each student's individual fine art practice. Novice students and practiced artists can continue their personal journey by honing brush and paint control. The lessons explore the essentials of water soluble paint to include: watercolor, ink and acrylics. Students will learn to interpret the dynamic drafting skills such as Linear Perspective and atmospheric perspective.
